Enterprise Revenue Refunding Bonds

INDENTURE OF TRUST

This INDENTURE OF TRUST, dated as of June 1, 2015 (this “Indenture”), is between the MARINA COAST WATER DISTRICT, a county water district organized and existing under the laws of the State of California (the “District”), and MUFG UNION BANK, N.A., a national banking association organized and existing under the laws of the United States of America, as trustee (the “Trustee”).

BACKGROUND:

1. The District owns and operates facilities and property for the supply, treatment and distribution of water (the “Water Enterprise”) and the collection, treatment and disposal of wastewater within the service area of the District (the “Wastewater Enterprise”).

2. In order to finance the construction of various improvements to the Water Enterprise and the Wastewater Enterprise (collectively, the “Enterprises”), the District has previously entered into an Installment Sale Agreement dated as of August 1, 2006 (the “2006 Installment Sale Agreement”), between the District and the Public Property Financing Corporation of California (the “Financing Corporation”), under which the District is obligated to pay semiannual installment payments (the “2006 Installment Payments”) which are secured by a pledge of and lien on the net revenues of the Enterprises (the “Net Revenues”).

3. Under the 2006 Installment Sale Agreement, the 2006 Installment Payments are subject to prepayment in whole or in part on any date on or after June 1, 2016, and such prepayments will be applied to pay and prepay the outstanding Enterprise Revenue Certificates of Participation, Series 2006, which have been executed and delivered in the aggregate original principal amount of \$42,310,000 (the “2006 Certificates”) under a Trust Agreement dated as of August 1, 2006 (the “2006 Trust Agreement”), among the District, the Financing Corporation and Union Bank, N.A., as trustee.

4. In order to provide funds to refund the 2006 Installment Payments and the 2006 Certificates, and thereby realize debt service savings to the District, the Board of Directors of the District has authorized the issuance of 2015 Senior Lien Enterprise Revenue Refunding Bonds of the District in the aggregate principal amount of \$37,000,000 (the “Bonds”), under the provisions of Articles 10 and 11 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code, commencing with Section 53570 of said Code.

5. The Bonds will be secured by a pledge of and lien on the Net Revenues on a basis which is senior to the outstanding \$8,495,000 aggregate principal amount of Marina Coast Water District 2010 Subordinate Enterprise Revenue Refunding Bonds (the “2010 Bonds”), which have been issued by the District under an Indenture of Trust dated as of December 1, 2010, between the District and Union Bank, N.A., as trustee.

6. In order to provide for the authentication and delivery of the Bonds, to establish and declare the terms and conditions upon which the Bonds are to be issued

and secured and to secure the payment of the principal thereof and of the interest and premium, if any, thereon, the Board of Directors of the District has authorized the execution of this Indenture.

A G R E E M E N T :

In order to secure the payment of the principal of and the interest and redemption premium (if any) on all the Bonds under this Indenture according to their tenor, and to secure the performance and observance of all the covenants and conditions therein and herein set forth, and to declare the terms and conditions upon and subject to which the Bonds are to be issued and received, and in consideration of the premises and of the mutual covenants herein contained and of the purchase and acceptance of the Bonds by the Owners thereof, and for other valuable considerations, the receipt of which is hereby acknowledged, the District and the Trustee hereby covenant and agree with one another, for the benefit of the respective Owners from time to time of the Bonds, as follows:

ISSUANCE OF BONDS

SECTION 2.01. *Authorization and Purpose of Bonds.* The District has reviewed all proceedings heretofore taken and has found, as a result of such review, and hereby finds and determines that all things, conditions and acts required by law to exist, happen or be performed precedent to and in connection with the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by law, and the District is now duly empowered, under each and every requirement of law, to issue the Bonds in the manner and form provided in this Indenture.

The District hereby authorizes the issuance of Bonds in the aggregate principal amount of \$_____ under the Refunding Bond Law for the purposes of providing funds to prepay and advance refund the 2006 Installment Payments and the 2006 Certificates in full. The Bonds are authorized and issued under, and are subject to the terms of, this Indenture and the Refunding Bond Law. The Bonds shall be designated the "Marina Coast Water District 2015 Senior Lien Enterprise Revenue Refunding Bonds".

SECTION 2.02. *Terms of the Bonds.* The Bonds are issuable in fully registered form without coupons in denominations of \$5,000 or any integral multiple thereof, so long as no Bond has more than one maturity date. The Bonds will be dated as of the Closing Date, and will mature on June 1 in the years and in the respective principal amounts and bear interest (calculated on the basis of a 360-day year comprised of twelve 30-day months) at the respective rates per annum, as set forth in the following table

<u>Maturity Date</u> <u>(June 1)</u>	<u>Principal</u> <u>Amount</u>	<u>Interest</u> <u>Rate</u>
---	-----------------------------------	--------------------------------

Interest on the Bonds is payable from the Interest Payment Date next preceding the date of authentication thereof unless

- (a) a Bond is authenticated on or before an Interest Payment Date and after the close of business on the preceding Record Date, in which event it will bear interest from such Interest Payment Date,
- (b) a Bond is authenticated on or before the first Record Date, in which event interest thereon will be payable from the Closing Date, or

- (c) interest on any Bond is in default as of the date of authentication thereof, in which event interest thereon will be payable from the date to which interest has been paid in full, payable on each Interest Payment Date.

Interest is payable on each Interest Payment Date to the persons in whose names the ownership of the Bonds is registered on the Registration Books at the close of business on the immediately preceding Record Date, except as provided below. Interest on any Bond which is not punctually paid or duly provided for on any Interest Payment Date is payable to the person in whose name the ownership of such Bond is registered on the Registration Books at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, notice of which is given to such Owner by first-class mail not less than 10 days prior to such special record date.

The Trustee will pay interest on the Bonds by check of the Trustee mailed by first class mail, postage prepaid, on each Interest Payment Date to the Owners of the Bonds at their respective addresses shown on the Registration Books as of the close of business on the preceding Record Date. At the written request of the Owner of Bonds in an aggregate principal amount of at least \$1,000,000, which written request is on file with the Trustee as of any Record Date, the Trustee will pay interest on such Bonds on each succeeding Interest Payment Date by wire transfer in immediately available funds to such account of a financial institution within the United States of America as specified in such written request, which written request will remain in effect until rescinded in writing by the Owner. The Trustee will pay principal of the Bonds in lawful money of the United States of America by check of the Trustee upon presentation and surrender thereof at the Office of the Trustee.

SECTION 2.03. *Redemption of Bonds.*

(a) Optional Redemption. The Bonds maturing on or before June 1, 20__, are not subject to redemption prior to maturity. The Bonds maturing on or after June 1, 20__, are subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as designated by the District and by lot within a maturity, from any available source of funds, on June 1, 20__, and on any date thereafter, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

The District shall give the Trustee written notice of its intention to redeem Bonds under this subsection (a), and the manner of selecting such Bonds for redemption from among the maturities thereof and the amount of the redemption premium thereon, in sufficient time to enable the Trustee to give notice of such redemption in accordance with subsection (c) of this Section.

(b) Mandatory Sinking Fund Redemption. The Bonds maturing on June 1, 20__, are subject to mandatory redemption in part by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts and on June 1 in the respective years as set forth in the following table; *provided, however*, that if some but not all of such Bonds have been redeemed under subsection (a) of this Section, the total amount of all future

sinking fund payments shall be reduced by the aggregate principal amount of the Bonds so redeemed, to be allocated among such sinking fund payments on a pro rata basis in integral multiples of \$5,000 (as set forth in a schedule provided by the District to the Trustee).

(c) Notice of Redemption. The Trustee on behalf and at the expense of the District shall mail (by first class mail) notice of any redemption to the respective Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, at least 30 but not more than 60 days prior to the date fixed for redemption; *provided, however*, that neither failure to receive any such notice so mailed nor any defect therein will affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon. Such notice must state the date of the notice, the redemption date, the redemption place and the redemption price and must designate the CUSIP numbers, the Bond numbers and the maturity or maturities (in the event of redemption of all of the Bonds of such maturity or maturities in whole) of the Bonds to be redeemed, and must require that such Bonds be then surrendered at the Office of the Trustee identified in such notice for redemption at the redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

(d) Right to Rescind Notice of Redemption. The District has the right to rescind any notice of the optional redemption of Bonds under subsection (a) of this Section by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption. The District and the Trustee shall have no liability to the Bond Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption to the respective Owners of the Bonds designated for redemption, at their addresses appearing on the Registration Books.

(e) Partial Redemption of Individual Maturity of Bonds. Whenever provision is made in this Section for the redemption of less than all of the Bonds of a particular maturity, the Trustee shall select the Bonds of such maturity to be redeemed by lot in any manner which the Trustee in its sole discretion deems appropriate. For purposes of such selection, all Bonds will be deemed to be comprised of separate \$5,000 denominations and such separate denominations will be treated as separate Bonds which may be separately redeemed.

(f) Partial Redemption of Individual Bond. If only a portion of any Bond is called for redemption, then upon surrender of such Bond the District shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the District, a new Bond or Bonds of the same series and maturity date, of authorized

denominations in aggregate principal amount equal to the unredeemed portion of the Bond to be redeemed.

(g) Effect of Redemption. From and after the date fixed for redemption, if notice of redemption has been duly mailed and funds available for the payment of the principal of and interest (and premium, if any) on the Bonds so called for redemption have been duly provided, such Bonds so called shall cease to be entitled to any benefit under this Indenture other than the right to receive payment of the redemption price, and no interest shall accrue thereon from and after the redemption date specified in such notice. Unless otherwise directed in writing by the District, the Trustee shall cancel and destroy all Bonds redeemed under this Section.

SECTION 2.04. *Book Entry System.*

(a) Original Delivery. The Bonds will be initially delivered in the form of a separate single fully registered bond (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the Trustee shall register the ownership of each Bond on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, the District and the Trustee has no responsibility or obligation to any Depository System Participant or to any person on behalf of which the Nominee holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, the District and the Trustee has no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed if the District elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The District and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal of and premium, if any, and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and the interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner shall receive a Bond evidencing the obligation of the District to make payments of principal, interest and premium, if any, under this Indenture. Upon delivery by the Depository to the District of written notice to the effect that the Depository has determined to substitute a new Nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the

Nominee hereunder for all purposes; and upon receipt of such a notice the District shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, the District shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the District or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bond Owners. Upon the written acceptance by the Trustee, the Trustee shall agree to take all action reasonably necessary for all representations of the Trustee in such letter with respect to the Trustee to at all times be complied with. In addition to the execution and delivery of such letter, the District may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. If either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the District determines to terminate the Depository as such, then the District shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the District and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the District fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions hereof.

If the District determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the District may notify the Depository System Participants of the availability of such certificated Bonds through the Depository. In such event, the Trustee will issue, transfer and exchange Bonds as required by the Depository and others in appropriate amounts; and whenever the Depository requests, the Trustee and the District shall cooperate with the Depository in taking appropriate action (i) to make available one or more separate certificates evidencing the Bonds to any Depository System Participant having Bonds credited to its account with the Depository, or (ii) to arrange for another Securities Depository to maintain custody of a single certificate evidencing such Bonds, all at the District's expense.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

SECTION 2.05. *Form and Execution of Bonds.* The Bonds, the form of Trustee's certificate of authentication, and the form of assignment to appear thereon, are set forth in Appendix B attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

The President of the Board of Directors of the District shall execute, and the Clerk of the Board shall attest each Bond. Either or both of such signatures may be made manually or may be affixed by facsimile thereof. If any officer whose signature appears on any Bond ceases to be such officer before the Closing Date, such signature will nevertheless be as effective as if the officer had remained in office until the Closing Date. Any Bond may be signed and attested on behalf of the District by such persons as at the actual date of the execution of such Bond are the proper officers of the District, duly authorized to execute debt instruments on behalf of the District, although on the date of such Bond any such person was not an officer of the District.

Only those Bonds bearing a certificate of authentication in the form set forth in Appendix B, manually executed and dated by the Trustee, are valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of the Trustee is conclusive evidence that such Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture.

SECTION 2.06. *Transfer and Exchange of Bonds.*

(a) Transfer. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. The Trustee shall collect any tax or other governmental charge on the transfer of any Bonds under this Section. Whenever any Bond or Bonds shall be surrendered for transfer, the District shall execute and the Trustee shall authenticate and deliver to the transferee a new Bond or Bonds of like series, interest rate, maturity and aggregate principal amount. The District shall pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer of Bonds.

(b) Exchange. The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations and of the same series, interest rate and maturity. The Trustee shall collect any tax or other governmental charge on the exchange of any Bonds under this subsection (b). The District shall pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange of Bonds.

(c) Limitations. The Trustee may refuse to transfer or exchange, under the provisions of this Section, any Bonds selected by the Trustee for redemption under Section 2.03, or any Bonds during the period established by the Trustee for the selection of Bonds for redemption.

SECTION 2.07. *Registration Books.* The Trustee will keep or cause to be kept, at its Office, sufficient records for the registration and registration of transfer of the Bonds, which must at all times during normal business hours, and upon reasonable notice, be

open to inspection by the District; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books, Bonds as hereinbefore provided.

ARTICLE III

ISSUE OF BONDS

SECTION 3.01. *Issuance of Bonds.* Upon the execution and delivery of this Indenture, the District shall execute and deliver Bonds in the aggregate principal amount of \$_____ to the Trustee and the Trustee shall authenticate and deliver the Bonds to the Original Purchaser upon receipt of a Request of the District therefor.

SECTION 3.02. *Deposit and Application of Proceeds.* On the Closing Date, the Trustee shall deposit the proceeds of the Bonds into a special fund to be held by the Trustee and known as the "Bond Proceeds Account." On the Closing Date, the Trustee shall apply the amounts on deposit in the Bond Proceeds Account as follows:

- (a) The Trustee shall deposit the amount of \$_____ in the Costs of Issuance Fund.
- (b) The Trustee shall deposit the amount of \$_____, constituting the full amount of the Reserve Requirement, in the Reserve Fund.
- (c) The Trustee shall transfer the amount of \$_____, constituting the remainder of the Bond proceeds, to the trustee for the 2006 Certificates, to be deposited and applied in accordance with the Escrow Agreement for the purpose of refunding the 2006 Installment Payments and the 2006 Certificates. Upon making such transfer, the Trustee shall close the Bond Proceeds Account.

SECTION 3.03. *Costs of Issuance Fund.* There is hereby established a separate fund to be known as the "Costs of Issuance Fund", to be held by the Trustee in trust. The Trustee shall disburse moneys in the Costs of Issuance Fund from time to time to pay Costs of Issuance upon submission of a Requisition of the District stating (a) the person to whom payment is to be made, (b) the amounts to be paid, (c) the purpose for which the obligation was incurred, (d) that such payment is a proper charge against the Costs of Issuance Fund, and (e) that such amounts have not been the subject of a prior Requisition of the District; in each case together with a statement or invoice for each amount requested thereunder. On August 1, 2015, the Trustee shall transfer any amounts remaining in the Costs of Issuance Fund to the Bond Fund, and thereupon the Trustee shall close the Costs of Issuance Fund.

SECTION 3.04. *Reserve Fund.* There is hereby created a separate fund to be known as the "Reserve Fund", to be held in trust by the Trustee. An amount equal to the Reserve Requirement shall be maintained in the Reserve Fund at all times, and any deficiency therein shall be replenished from the first available Net Revenues under Section 4.02(b). The Trustee shall apply amounts in the Reserve Fund for the purposes set forth in Section 4.02(b).

SECTION 3.05. *Validity of Bonds.* The recital contained in the Bonds that they are issued under the laws of the State of California is conclusive evidence of their validity and of the regularity of their issuance.

ARTICLE IV

SECURITY FOR THE BONDS; FLOW OF FUNDS

SECTION 4.01. *Pledge of Net Revenues.* The Bonds are secured by a first pledge of all of the Net Revenues. In addition, the Bonds are secured by a pledge of all of the moneys in the Bond Fund and the Reserve Fund, including all amounts derived from the investment of such moneys. The Bonds are equally secured by a pledge, charge and lien upon the Net Revenues and such moneys without priority for series, issue, number or date and the payment of the interest on and principal of the Bonds shall be and are secured by an exclusive pledge, charge and lien upon the Net Revenues and such moneys. Such pledge and lien on the Net Revenues shall be senior to the pledge and lien on certain revenues of the District which secure the 2010 Bonds.

SECTION 4.02. *Receipt, Deposit and Application of Net Revenues.* The District has previously established the Enterprise Funds, which it will continue to hold and maintain for the purposes and uses set forth herein. The District shall deposit all Gross Revenues from the Water Enterprise into the Water Fund, and all of the Gross Revenues from the Wastewater Fund into the Wastewater Fund, immediately on receipt. The District shall withdraw amounts on deposit in the Enterprise Funds and apply such amounts at the times and for the purposes, and in the priority, as follows:

- (a) Bond Fund. On or before the 5th Business Day of the month preceding each Interest Payment Date, so long as any Bonds remain Outstanding hereunder, the District shall withdraw from the Enterprise Funds and pay to the Trustee for deposit into the Bond Fund (which the Trustee shall establish and hold in trust hereunder) an amount which, together with other available amounts then on deposit in the Bond Fund, is at least equal to the aggregate amount of principal of and interest on the Bonds coming due and payable on such Interest Payment Date.

The Trustee shall apply amounts in the Bond Fund solely for the purpose of (i) paying the interest on the Outstanding Bonds when due and payable (including accrued interest on any Bonds purchased or redeemed hereunder), and (ii) paying the principal of the Bonds at the maturity thereof. Upon the payment of all Outstanding Bonds, the Trustee shall transfer any moneys remaining in the Bond Fund to the District for deposit into the Enterprise Funds.

- (b) Reserve Fund. If the amount on deposit in the Reserve Fund at any time falls below the Reserve Requirement, the Trustee shall promptly notify the District of such fact and the District shall

promptly withdraw the amount of such insufficiency from available funds in the Enterprise Funds, and transfer such amount to the Trustee for deposit in the Reserve Fund. No deposit need be made in the Reserve Fund so long as the balance therein at least equals the Reserve Requirement. If the amount on deposit in the Reserve Fund exceeds the Reserve Requirement, the Trustee shall transfer such excess amount to the Bond Fund.

If the amounts on deposit in the Bond Fund on any Interest Payment Date are insufficient to pay the principal of and interest on the Bonds then coming due, the Trustee shall (i) immediately notify the District in writing of such fact, and (ii) withdraw the amount of such insufficiency from the Reserve Fund and transfer it to the Bond Fund. On the date on which all Bonds are retired, any moneys then on deposit in the Reserve Fund, to the extent not required to pay the principal of and interest on the Bonds, will be withdrawn by the Trustee and paid to the District.

SECTION 4.03. *Investments.*

(a) Investment of Funds Held by District. All moneys in the Enterprise Funds may be invested by the District from time to time in any securities in which the District may legally invest funds subject to its control under the laws of the State of California.

(b) Investment of Funds Held by Trustee. The Trustee shall invest moneys in the funds and accounts held by it hereunder in Permitted Investments specified in the Request of the District delivered to the Trustee at least two Business Days in advance of the making of such investments. In the absence of any such direction from the District, the Trustee shall invest any such moneys solely in Permitted Investments described in clause (e) of the definition thereof.

(c) General Investment Provisions. Obligations purchased as an investment of moneys in any fund or account shall be deemed to be part of such fund or account. Whenever in this Indenture the District is required to transfer any moneys to the Trustee, such transfer may be accomplished by transferring a like amount of Permitted Investments. All interest or gain derived from the investment of amounts in any of the funds or accounts held by the Trustee hereunder shall be retained in the respective fund or account from which such investment was made; except that the Trustee shall deposit all interest or gain from the investment of amounts in the Reserve Fund in the Bond Fund to the extent not required to cause the balance in the Reserve Fund to equal the Reserve Requirement. For purposes of acquiring any investments hereunder, the Trustee may commingle funds held by it hereunder upon receipt by the Trustee of the Request of the District. The Trustee or an affiliate may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made under this Section.

The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive brokerage confirmations of security transactions as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will

furnish the District periodic transaction statements which include detail for all investment transactions made by the Trustee hereunder.

The Trustee or any of its affiliates may act as sponsor, advisor or manager in connection with any investments made by the Trustee hereunder.

SECTION 4.04. *Valuation and Disposition of Investments.*

(a) Except as otherwise provided in subsection (b) of this Section, the District covenants that all investments of amounts deposited in any fund or account created by or under this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Tax Code) shall be acquired, disposed of and valued (as of the date that valuation is required by this Indenture or the Tax Code) at Fair Market Value as such term is defined in subsection (d) below. The Trustee has no duty in connection with the determination of Fair Market Value other than to follow the investment directions of the District in any Certificate or Request of the District.

(b) Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Tax Code and investments in the Reserve Fund shall be valued at cost thereof (consisting of present value thereof within the meaning of Section 148 of the Tax Code); provided that the District must inform the Trustee which funds are subject to a yield restriction, and must provide the Trustee with any necessary valuation criteria or formulae.

(c) Except as provided in the preceding subsection (b), for the purpose of determining the amount in any fund, the Trustee shall value Permitted Investments credited to such fund at least annually at the Fair Market Value thereof. The Trustee may utilize computerized securities pricing services that may be available to it, including those available through its regular accounting system. If and as directed by the District in writing, the Trustee shall sell or present for redemption any Permitted Investment so purchased by the Trustee whenever it is necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investment is credited, and the Trustee has no liability or responsibility for any loss resulting therefrom.

(d) For purposes of this Section, the term "Fair Market Value" means the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm's length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Tax Code) and, otherwise, the term "Fair Market Value" means the acquisition price in a bona fide arm's length transaction (as referenced above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Tax Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Tax Code, or (iii) the investment is a United States Treasury Security -- State and Local Government Series which is acquired in accordance with applicable regulations of the United States Bureau of Public Debt.

ARTICLE V

FINANCIAL COVENANTS

SECTION 5.01. *Punctual Payment; Compliance With Documents.* The District shall punctually pay or cause to be paid the principal of and interest on the Bonds in strict conformity with the terms of the Bonds and of this Indenture, and will faithfully observe and perform all of the conditions, covenants and requirements of this Indenture and all Supplemental Indentures.

SECTION 5.02. *Discharge of Claims.* The District covenants that in order to fully preserve and protect the priority and security of the Bonds the District shall pay from the Gross Revenues and discharge all lawful claims for labor, materials and supplies furnished for or in connection with the Enterprises which, if unpaid, may become a lien or charge upon the Gross Revenues prior or superior to the lien of the Bonds and impair the security of the Bonds. The District shall also pay all taxes and assessments or other governmental charges lawfully levied or assessed upon or in respect of the Enterprises or upon any part thereof.

SECTION 5.03. *Operation of Enterprises in Efficient and Economical Manner.* The District covenants and agrees to operate the Enterprises in an efficient and economical manner and to operate, maintain and preserve the Enterprises in good repair and working order.

SECTION 5.04. *Sale or Eminent Domain of Enterprises.* Except as provided herein, the District covenants that the Enterprises will not be encumbered, sold, leased, pledged, any charge placed thereon, or otherwise dispose of, as a whole or substantially as a whole if such encumbrance, sale, lease, pledge, charge or other disposition would materially impair the ability of the District to pay the principal of or interest on the Bonds or would materially adversely affect its ability to comply with the terms of this Indenture. The District may not enter into any agreement which impairs the operation of the Enterprises or any part of it necessary to secure adequate Net Revenues to pay the Bonds, or which otherwise would impair the rights of the Bond Owners with respect to the Net Revenues. If any substantial part of the Enterprises is sold, the payment therefor shall be applied for the repair or replacement of the affected property, or to other capital improvements of the related Enterprise.

Any amounts received as awards as a result of the taking of all or any part of the Enterprises by the lawful exercise of eminent domain, if and to the extent that such right can be exercised against such property of the District, shall be applied to the acquisition of replacement facilities or other capital improvements of the Enterprises.

SECTION 5.05. *Insurance.* The District shall at all times maintain with responsible insurers all such insurance on the Enterprises as is customarily maintained with respect to works and properties of like character against accident to, loss of or damage to the Enterprises. All amounts collected from insurance against accident to or destruction of any portion of the Enterprises shall be applied to the repair or replacement of the insured facilities, or to other capital improvements of the related Enterprise.

The District shall also maintain, with responsible insurers, worker's compensation insurance and insurance against public liability and property damage to the extent reasonably necessary to protect the District, Trustee and the Owners of the Bonds.

Any policy of insurance required under this Section may be maintained as part of or in conjunction with any other insurance coverage carried by the District, and may be maintained in whole or in part in the form of self-insurance by the District or in the form of the participation by the District in a joint powers agency or other program providing pooled insurance.

SECTION 5.06. *Records and Accounts.* The District will keep proper books of record and accounts of the Enterprises, separate from all other records and accounts, in which complete and correct entries shall be made of all transactions relating to the Enterprises. Said books shall, upon reasonable request, be subject to the inspection of the Trustee and the Owners of not less than 10% of the Outstanding Bonds or their representatives authorized in writing.

The District will cause the books and accounts of the Enterprises to be audited annually by an Independent Accountant and will make available for inspection by the Bond Owners at the Office of the Trustee, upon reasonable request, a copy of the report of such Independent Accountant. The District will furnish a copy of such statements, upon reasonable request, to the Trustee and any Bond Owner.

SECTION 5.07. *Rates and Charges.*

(a) Gross Revenue Covenant. The District shall fix, prescribe, revise and collect rates, fees and charges for the services and facilities furnished by the Water Enterprise during each Fiscal Year, which are at least sufficient, after making allowances for contingencies and error in the estimates, to yield Gross Revenues from the Water Enterprise sufficient to pay the following amounts in the following order of priority:

- (i) All Operation and Maintenance Costs of the Water Enterprise estimated by the District to become due and payable in the Fiscal Year.
- (ii) All payments of principal of and interest on the portion of the Bonds which is allocable to the Water Enterprise and all payments of principal of and interest on any Parity Debt of the Water Enterprise as they become due and payable during the Fiscal Year, without preference or priority, except to the extent payable from the proceeds of Parity Debt held for that purpose.
- (iii) All amounts, if any, required to restore the balance in the Reserve Fund to the full amount of the Reserve Requirement.
- (iv) All payments required to meet any other obligations of the District which are charges, liens, encumbrances upon, or which are otherwise payable from, the Gross Revenues or the Net Revenues of the Water Enterprise during such Fiscal Year.

In addition, the District shall fix, prescribe, revise and collect rates, fees and charges for the services and facilities furnished by the Wastewater Enterprise during each Fiscal Year, which are at least sufficient, after making allowances for contingencies and error in the estimates, to yield Gross Revenues from the Wastewater Enterprise sufficient to pay the following amounts in the following order of priority:

- (i) All Operation and Maintenance Costs of the Wastewater Enterprise estimated by the District to become due and payable in the Fiscal Year.
- (ii) All payments of principal of and interest on the portion of the Bonds which is allocable to the Wastewater Enterprise and all payments of principal of and interest on any Parity Debt of the Wastewater Enterprise as they become due and payable during the Fiscal Year, without preference or priority, except to the extent payable from the proceeds of Parity Debt held for that purpose.
- (iii) All amounts, if any, required to restore the balance in the Reserve Fund to the full amount of the Reserve Requirement.
- (iv) All payments required to meet any other obligations of the District which are charges, liens, encumbrances upon, or which are otherwise payable from, the Gross Revenues or the Net Revenues of the Wastewater Enterprise during such Fiscal Year.

(b) Net Revenue Covenant. In addition, the District shall fix, prescribe, revise and collect rates, fees and charges for the services and facilities furnished by the Water Enterprise during each Fiscal Year which are sufficient to yield Net Revenues of the Water Enterprise which are at least equal to 125% of the amount of Debt Service calculated for such Fiscal Year with respect to the Water Enterprise. For purposes of this subsection (b), the amount of Net Revenues for a Fiscal Year will be computed by including in Gross Revenues all amounts transferred into the Water Fund from the Rate Stabilization Fund during the Fiscal Year.

In addition, the District shall fix, prescribe, revise and collect rates, fees and charges for the services and facilities furnished by the Wastewater Enterprise during each Fiscal Year which are sufficient to yield Net Revenues of the Wastewater Enterprise which are at least equal to 125% of the amount of Debt Service calculated for such Fiscal Year with respect to the Wastewater Enterprise. For purposes of this subsection (b), the amount of Net Revenues for a Fiscal Year will be computed by including in Gross Revenues all amounts transferred into the Wastewater Fund from the Rate Stabilization Fund during the Fiscal Year.

In the event that the actual collection of Net Revenues based on such rates, fees and charges is insufficient to yield Net Revenues which meet the requirements of this subsection (b), such event shall not constitute an Event of Default unless it has continued uncured for a period of at least 12 months.

SECTION 5.08. *Establishment of Rate Stabilization Fund*. The District has the right at any time to establish a fund to be held by it and administered in accordance with this Section for the purpose of stabilizing the rates and charges imposed by the District

with respect to the Enterprises. From time to time the District may deposit amounts in the Rate Stabilization Fund, from any source of legally available funds, including but not limited to Net Revenues which are released from the pledge and lien which secures the Bonds and any Parity Debt, as the District may determine.

The District may, but is not be required to, withdraw amounts on deposit in the Rate Stabilization Fund and deposit such amounts in the Enterprise Funds in any Fiscal Year for the purpose of paying the principal of and interest on the Bonds or any Parity Debt coming due and payable in such Fiscal Year. Amounts so transferred from the Rate Stabilization Fund to the Enterprise Funds in any Fiscal Year constitute Gross Revenues for that Fiscal Year and will be applied for the purposes of the Enterprise Funds. Amounts on deposit in the Rate Stabilization Fund are not pledged to and do not secure the Bonds or any Parity Debt. All interest or other earnings on deposits in the Rate Stabilization Fund will be retained therein or, at the option of the District, be applied for any other lawful purposes. The District has the right at any time to withdraw any or all amounts on deposit in the Rate Stabilization Fund and apply such amounts for any other lawful purposes of the District.

SECTION 5.09. *Issuance of Parity Debt.* The District may issue or incur any Parity Debt, which are secured by a pledge of and lien on the Net Revenues and amounts on deposit in the Bond Fund and the Reserve Fund on a parity with the pledge and lien which secure the Bonds, upon satisfaction of all of the following conditions:

- (a) No Event of Default has occurred and is continuing.
- (b) The Net Revenues, calculated in accordance with sound accounting principles, as shown by the books of the District for the most recent completed Fiscal Year for which audited financial statements of the District are available, or for any more recent consecutive 12-month period selected by the District, in either case verified by an Independent Accountant or a Fiscal Consultant or shown in the audited financial statements of the District, plus at the option of the District any or all of the Additional Revenues, are at least equal to 125% of the Debt Service for such Fiscal Year.
- (c) The District shall deliver to the Trustee a Certificate of the District certifying, and an opinion of Bond Counsel stating, that the conditions precedent to the issuance of such Parity Debt set forth in the foregoing provisions of this Section have been satisfied.

Nothing herein limits or affects the ability of the District to issue or incur obligations which are either unsecured or which are secured by an interest which is junior and subordinate to the pledge of and lien on the Net Revenues which secures the Bonds.

SECTION 5.10. *Tax Covenants Relating to Bonds.*

(a) Generally. The District shall not take any action or permit to be taken any action within its control which would cause or which, with the passage of time if not cured would cause, interest on the Bonds to become includable in gross income for federal income tax purposes.

(b) Private Activity Bond Limitation. The District shall assure that the proceeds of the Bonds are not used in a manner which would cause the Bonds to become “private activity bonds” within the meaning of Section 141(a) of the Tax Code or to meet the private loan financing test of Section 141(c) of the Tax Code.

(c) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(d) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the Bond proceeds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date, would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Tax Code.

(e) Rebate of Excess Investment Earnings. The District shall calculate or cause to be calculated all amounts of excess investment earnings with respect to the Bonds which are required to be rebated to the United States of America under Section 148(f) of the Tax Code, at the times and in the manner required under the Tax Code. The District shall pay when due an amount equal to excess investment earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code, such payments to be made from any source of legally available funds of the District. The District shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Bonds, records of the determinations made under this subsection (e).

The Trustee has no duty to monitor the compliance by the District with any of the covenants contained in this Section.

SECTION 5.11. *Refunding of 2006 Installment Payments and 2006 Certificates.* The District shall cause the proceeds of the Bonds to be applied to the prepayment and discharge on the Closing Date of the 2006 Installment Payments and the corresponding redemption and discharge of the 2006 Certificates. The District covenants that the pledge and lien on the revenues of the District for the security of the 2006 Installment Payments and the 2006 Certificates shall be discharged in full on the Closing Date.

SECTION 5.12. *Continuing Disclosure.* The District shall comply with and carry out all of the provisions of the Continuing Disclosure Certificate which has been executed and delivered by the District on the Closing Date. Notwithstanding any other provision hereof, failure of the District to comply with the Continuing Disclosure Certificate does not constitute an Event of Default hereunder; *provided, however,* that any Participating Underwriter (as such term is defined in the Continuing Disclosure Certificate) or any Owner or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the District to comply with its obligations under this Section.

SECTION 5.13. *Further Assurances.* The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance

of this Indenture, and for the better assuring and confirming unto the Owners of the Bonds, the Trustee the rights and benefits provided in this Indenture.

ARTICLE VI

THE TRUSTEE

SECTION 6.01. *Duties, Immunities and Liabilities of Trustee.*

(a) Performance of Duties. The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiving of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or duties will be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a reasonable corporate trustee would exercise or use.

(b) Removal of Trustee. The District may remove the Trustee at any time, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the Trustee ceases to be eligible in accordance with subsection (e) of this Section, or becomes incapable of acting, or is adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property is appointed, or any public officer takes control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. The District may accomplish such removal by giving 30 days written notice to the Trustee, whereupon the District will appoint a successor Trustee by an instrument in writing.

(c) Resignation by Trustee. The Trustee may at any time resign by giving written notice of such resignation to the District, and by giving notice of such resignation by first class mail, postage prepaid, to the Bond Owners at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the District will promptly appoint a successor Trustee by an instrument in writing.

(d) Appointment of Successor Trustee. Any removal or resignation of the Trustee and appointment of a successor Trustee becomes effective upon acceptance of appointment by the successor Trustee. If no successor Trustee has been appointed and accepted appointment within 45 days following giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any federal or state court for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the District and to its predecessor Trustee a written acceptance thereof, and to the predecessor Trustee an instrument indemnifying the predecessor Trustee for any costs or claims arising during the time the successor Trustee serves as Trustee hereunder, and such successor Trustee, without any further act, deed or conveyance,

shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless, upon the receipt by the predecessor Trustee of the Request of the District or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the District will execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the District shall mail or cause the successor Trustee to mail, by first class mail postage prepaid, a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then maintains a rating on the Bonds, and to the Owners at the addresses shown on the Registration Books. If the District fails to mail such notice within 15 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the District.

(e) Qualifications of Trustee. Any Trustee appointed under the provisions of this Section in succession to the Trustee must:

- be a company or bank having trust powers,
- have a corporate trust office in the State of California,
- have (or be part of a bank holding company system whose bank holding company has) a combined capital and surplus of at least \$50,000,000, and
- be subject to supervision or examination by federal or state authority.

If such bank or company publishes a report of condition at least annually, under law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank or company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee ceases to be eligible in accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in subsection (c) of this Section.

The District will maintain a Trustee which is qualified under the provisions of the foregoing provisions of this subsection (e), so long as any Bonds are Outstanding.

SECTION 6.02. *Merger or Consolidation.* Any bank or company into which the Trustee may be merged or converted or with which either of them may be consolidated or any bank or company resulting from any merger, conversion or consolidation to which

it shall be a party or any bank or company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank or company shall be eligible under subsection (e) of Section 6.01, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

SECTION 6.03. *Rights and Liabilities of Trustee.*

(a) The recitals of facts herein and in the Bonds contained are taken as statements of the District, and the Trustee has no responsibility for the correctness of the same, nor does it have any liability whatsoever therefor, nor make any representations as to the validity or sufficiency of this Indenture or of the Bonds nor shall it incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee is, however, responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee is not liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee is not liable for the acts of any agents of the Trustee selected by it with due care. The Trustee may become the Owner of any Bonds with the same rights it would have if it were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding. The Trustee, either as principal or agent, may engage in or be entrusted in any financial or other transaction with the District.

(b) The Trustee has no liability with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(c) The Trustee has no liability for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or willful misconduct of the Trustee. The permissive right of the Trustee to do things enumerated hereunder is not construed as a mandatory duty.

(d) The Trustee will not be deemed to have knowledge of any Event of Default hereunder unless and until a responsible officer of the Trustee has actual knowledge thereof, or unless and until a responsible officer of the Trustee has received written notice thereof at its Office. Except as otherwise expressly provided herein, the Trustee is not bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default hereunder or thereunder. The Trustee is not responsible for the District's payment of principal and interest on the Bonds, the District's observance or performance of any other covenants, conditions or terms contained herein, or the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, the Trustee is not responsible for reviewing the contents of any financial statements furnished to the Trustee under Section 5.06 and may rely conclusively on the Certificate of the District accompanying

such financial statements to establish the District's compliance with its financial covenants hereunder, including, without limitation, its covenants regarding the deposit of Gross Revenues into the Enterprise Funds and the investment and application of moneys on deposit in the Enterprise Funds (other than its covenants to transfer such moneys to the Trustee when due hereunder).

(e) No provision in this Indenture requires the Trustee to risk or expend its own funds or otherwise incur any financial liability hereunder. The Trustee is entitled to receive interest on any moneys advanced by it hereunder, at the maximum rate permitted by law.

(f) The Trustee may establish additional accounts or subaccounts of the funds established hereunder as the Trustee deems necessary or prudent in furtherance of its duties under this Indenture.

(g) The Trustee has no responsibility or liability whatsoever with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, nor shall the Trustee have any obligation to review any such material, and any such review by the Trustee will not be deemed to create any obligation, duty or liability on the part of the Trustee.

(h) At any and all reasonable times the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, have the right (but not the duty) fully to inspect the Enterprises, including all books, papers and records of the District pertaining to the Enterprises and the Bonds, and to take such memoranda from and with regard thereto as may be desired but which is not privileged by statute or by law.

(i) Before taking any action under Article VIII the Trustee may require indemnity satisfactory to the Trustee be furnished to it to hold the Trustee harmless from any expenses whatsoever and to protect it against any liability it may incur hereunder.

(j) The immunities extended to the Trustee also extend to its directors, officers, employees and agents.

(k) The permissive right of the Trustee to do things enumerated in this Indenture is not construed as a duty.

(l) The Trustee may execute any of the trusts or powers hereof and perform any of its duties through attorneys, agents and receivers and is not answerable for the conduct of the same if appointed by it with reasonable care.

SECTION 6.04. *Right to Rely on Documents.* The Trustee is protected in acting upon any notice, resolution, requisition, request, consent, order, certificate, report, opinion or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, including, without limitation, Bond Counsel or other counsel of or to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee is not bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and such person's title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee deems it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of the District, which shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such Certificate, but in its discretion the Trustee may (but has no duty to), in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable. The Trustee may conclusively rely on any certificate or report of any Independent Accountant appointed by the District.

SECTION 6.05. *Preservation and Inspection of Documents.* All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject during normal business hours, and upon reasonable prior written notice, to the inspection of the District and any Owner, and their agents and representatives duly authorized in writing.

SECTION 6.06. *Compensation and Indemnification.* Absent any agreement to the contrary, the District shall pay to the Trustee from time to time compensation for all services rendered under this Indenture and also all expenses, charges, legal and consulting fees and other disbursements and those of its attorneys (including any allocated costs of internal counsel), agents and employees, incurred in and about the performance of its powers and duties under this Indenture. The Trustee has a first lien on the Net Revenues and all funds and accounts held by the Trustee hereunder to secure the payment to the Trustee of all fees, costs and expenses, including compensation to its experts, attorneys and counsel incurred in declaring such Event of Default and in exercising the rights and remedies set forth in Article VIII. Any such expenses incurred by the Trustee shall be deemed to constitute a substantial contribution to the trust estate which secures the Bonds.

The District further covenants and agrees to indemnify and save the Trustee and its officers, directors, agents and employees, harmless against any loss, expense and liabilities, whether or not litigated, which it may incur arising out of or in the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability and of enforcing any remedies hereunder and under any related documents, but excluding any and all losses, expenses and liabilities which are due to the negligence or willful misconduct of the Trustee, its officers, directors, agents or employees. The obligations of the District under this Section shall survive resignation or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

SECTION 6.07. *Accounting Records and Financial Statements.* The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with industry standards, in which complete and accurate entries shall be made of all transactions made by it relating to the proceeds of the Bonds and all funds and accounts established and held by the Trustee under this Indenture. Such books of

record and account shall be available for inspection by the District at reasonable hours, during regular business hours, with reasonable prior notice and under reasonable circumstances. The Trustee shall furnish to the District, at least semiannually, an accounting (which may be in the form of its customary statements) of all transactions relating to the proceeds of the Bonds and all funds and accounts held by the Trustee under this Indenture.

ARTICLE VII

MODIFICATION AND AMENDMENT OF THIS INDENTURE

SECTION 7.01. *Amendments Permitted.*

(a) Amendment With Bond Owner Consent. This Indenture and the rights and obligations of the District and of the Owners of the Bonds may be modified or amended by the District and the Trustee upon Request of the District at any time by the execution of a Supplemental Indenture, but only with the written consents of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding with respect to all Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 9.05. Any such Supplemental Indenture becomes effective upon the execution and delivery thereof by the parties thereto and upon consent of the requisite Bond Owners. No such modification or amendment shall:

- (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the District to pay the principal thereof, or interest thereon, or any premium payable on the redemption thereof, at the time and place and at the rate and in the currency provided therein, without the written consent of the Owner of such Bond, or
- (ii) permit the creation by the District of any mortgage, pledge or lien upon the Net Revenues superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as expressly permitted by this Indenture), or reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment or modification, or
- (iii) modify any of the rights or obligations of the Trustee without its written consent.

(b) Amendment Without Bond Owner Consent. This Indenture and the rights and obligations of the District and of the Owners of the Bonds may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners of the Bonds, but only for any one or more of the following purposes:

- (i) to add to the covenants and agreements of the District contained in this Indenture, other covenants and agreements thereafter to be

observed, or to limit or surrender any rights or power herein reserved to or conferred upon the District;

- (ii) to cure any ambiguity, or to cure, correct or supplement any defective provision contained in this Indenture, or in any other respect whatsoever as the District deems necessary or desirable, provided under any circumstances that such modifications or amendments do not materially adversely affect the interests of the Owners in the opinion of Bond Counsel filed with the District and the Trustee;
- (iii) to provide for the issuance of Parity Debt under Section 5.08, and to provide the terms and conditions under which such Parity Debt may be issued, including but not limited to the establishment of special funds and accounts relating thereto and any other provisions relating solely thereto, subject to and in accordance with the provisions of Section 5.08; or
- (iv) to amend any provision hereof to assure the exclusion from gross income of interest on the Bonds for federal income tax purposes under the Tax Code, in the opinion of Bond Counsel filed with the District and the Trustee.

SECTION 7.02. *Effect of Supplemental Indenture.* From and after the time any Supplemental Indenture becomes effective under this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

SECTION 7.03. *Endorsement or Replacement of Bonds After Amendment.* After the effective date of any amendment or modification hereof under this Article VII, the District may determine that any or all of the Bonds shall bear a notation, by endorsement in form approved by the District, as to such amendment or modification and in that case upon demand of the District the Owners of such Bonds shall present such Bonds for that purpose at the Office of the Trustee, and thereupon a suitable notation as to such action shall be made on such Bonds. In lieu of such notation, the District may determine that new Bonds shall be prepared and executed in exchange for any or all of the Bonds and in that case upon demand of the District the Owners of the Bonds shall present such Bonds for exchange at the Office of the Trustee without cost to such Owners.

SECTION 7.04. *Amendment by Mutual Consent.* The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Bond held by such Owner.

SECTION 7.05. *Trustee's Reliance.* The Trustee may conclusively rely, and is protected in relying, upon a Certificate of the District and an opinion of counsel stating that all requirements of this Indenture relating to the amendment or modification hereof

have been satisfied and that such amendments or modifications do not materially adversely affect the interests of the Owners.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF BOND OWNERS

SECTION 8.01. *Events of Default and Acceleration of Maturities.* Each of the following events constitutes an Event of Default hereunder:

- (a) Failure to pay any installment of the principal of any Bonds when due, whether at maturity as therein expressed, by proceedings for redemption, by acceleration, or otherwise.
- (b) Failure to pay any installment of interest on the Bonds when due.
- (c) Failure by the District to observe and perform any of the other covenants, agreements or conditions on its part contained in this Indenture or in the Bonds, if such failure has continued for a period of 60 days after written notice thereof, specifying such failure and requiring the same to be remedied, has been given to the District by the Trustee; *provided, however*, if in the reasonable opinion of the District the failure stated in the notice can be corrected, but not within such 60-day period, such failure shall not constitute an Event of Default if the District institutes corrective action within such 60-day period and thereafter diligently and in good faith cures the failure in a reasonable period of time.
- (d) The District commences a voluntary case under Title 11 of the United States Code or any substitute or successor statute.
- (e) The occurrence and continuation of an event of default under and as defined in any Parity Debt Documents.

If an Event of Default occurs and is continuing, the Trustee may, and at the written direction of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding the Trustee shall, (a) declare the principal of the Bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same will become immediately due and payable, anything in this Indenture or in the Bonds to the contrary notwithstanding, and (b) subject to the provisions of Section 8.06, exercise any other remedies available to the Trustee and the Bond Owners in law or at equity to enforce the rights of the Bond Owners under this Indenture.

Immediately upon obtaining actual knowledge of the occurrence of an Event of Default, but in no event later than five Business Days following actual knowledge of such occurrence, the Trustee shall give notice of such Event of Default to the District by telephone confirmed in writing. Such notice shall also state whether the principal of the

Bonds has been declared to be or have immediately become due and payable. With respect to any Event of Default described in clauses (a) or (b) above the Trustee shall, and with respect to any Event of Default described in clause (c) above the Trustee in its sole discretion may, also give such notice to the Owners in the same manner as provided herein for notices of redemption of the Bonds, which shall include the statement that interest on the Bonds shall cease to accrue from and after the date, if any, on which the Trustee declares the Bonds to become due and payable under the preceding paragraph (but only to the extent that principal and any accrued, but unpaid, interest on the Bonds is actually paid on such date).

This provision, however, is subject to the condition that if, at any time after the principal of the Bonds has been so declared due and payable, and before any judgment or decree for the payment of the moneys due has been obtained or entered, the District shall deposit with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal and interest at an interest rate of 10% per annum, and the reasonable fees and expenses of the Trustee, including fees and expenses of its attorneys, and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) has been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate has been made therefor, then, and in every such case, the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the District and to the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences. However, no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

SECTION 8.02. *Application of Funds Upon Acceleration.* All amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture shall be applied by the Trustee as follows and in the following order:

- (a) *First*, to the payment of any fees, costs and expenses incurred by the Trustee to protect the interests of the Owners of the Bonds; payment of the fees, costs and expenses of the Trustee (including fees and expenses of its counsel, including any allocated costs of internal counsel) incurred in and about the performance of its powers and duties under this Indenture and the payment of all fees, costs and expenses owing to the Trustee under Section 6.06, together with interest on all such amounts advanced by the Trustee at the maximum rate permitted by law.
- (b) *Second*, to the payment of the whole amount then owing and unpaid upon the Bonds for interest and principal, with interest on such overdue amounts at the respective rates of interest borne by those Bonds, and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds, then to the payment of such interest, principal and interest on overdue amounts without preference or priority among such interest, principal and

interest on overdue amounts ratably to the aggregate of such interest, principal and interest on overdue amounts.

SECTION 8.03. *Power of Trustee to Control Proceedings.* If the Trustee, upon the happening of an Event of Default, takes any action, by judicial proceedings or otherwise, in the performance of its duties hereunder, whether upon its own discretion, with the consent or at the request of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, it has full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action. The Trustee may not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation.

SECTION 8.04. *Limitation on Owners' Right to Sue.* No Owner of any Bond has the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless:

- (a) said Owner has previously given to the Trustee written notice of the occurrence of an Event of Default;
- (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding have requested the Trustee in writing to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name;
- (c) said Owners have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and
- (d) the Trustee has failed to comply with such request for a period of 60 days after such written request has been received by, and said tender of indemnity has been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners has any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of and premium, if any, and interest on such Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

SECTION 8.05. *Non-waiver.* Nothing in this Article VIII or in any other provision of this Indenture or in the Bonds, affects or impairs the obligation of the District, which is absolute and unconditional, to pay from the Net Revenues and other amounts pledged hereunder, the principal of and interest and redemption premium (if any) on the Bonds to the Bond Owners when due and payable as herein provided, or affects or impairs the right of action, which is also absolute and unconditional, of the Bond Owners to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Bond Owner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Bond Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Bond Owners by the Refunding Bond Law or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Bond Owners.

If a suit, action or proceeding to enforce any right or exercise any remedy is abandoned or determined adversely to the Bond Owners, the District, the Bond Owners will be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

SECTION 8.06. *Actions by Trustee as Attorney-in-Fact.* Any suit, action or proceeding which any Owner has the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners by taking and holding the Bonds shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact, subject to the provisions of Article VI. Notwithstanding the foregoing provisions of this Section, the Trustee has no duty to enforce any such right or remedy unless it has been indemnified to its satisfaction for any additional fees, charges and expenses of the Trustee related thereto, including without limitation, fees and charges of its attorneys and advisors.

SECTION 8.07. *Remedies Not Exclusive.* No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Refunding Bond Law or any other law.

This Bond is one of a duly authorized issue of bonds of the District designated as its "Marina Coast Water District 2015 Senior Lien Enterprise Revenue Refunding Bonds" (the "Bonds"), in the aggregate principal amount of \$_____, authorized under a Resolution adopted by the Board of Directors of the District on June __, 2015 (the "Refunding Bond Law"), and issued under an Indenture of Trust dated as of June 1, 2015 (the "Indenture"), between the District and the Trustee. The Bonds have been issued for the purpose of refinancing indebtedness of the District which was incurred to finance the acquisition of land to be used in connection with the District's water supply, treatment and distribution system (the "Water Enterprise") and its wastewater collection, treatment and disposal system (the "Wastewater Enterprise").

Reference is hereby made to the Indenture (a copy of which is on file at said Office of the Trustee) and all indentures supplemental thereto and to the Refunding Bond Law for a description of the rights thereunder of the owners of the Bonds, of the nature and extent of the security, of the rights, duties and immunities of the Trustee and of the rights and obligations of the District thereunder. The Registered Owner of this Bond, by acceptance hereof, assents and agrees to all the provisions of the Indenture.

The Bonds and the interest thereon are payable from Net Revenues (as such term is defined in the Indenture) of the Water Enterprise and the Wastewater Enterprise and are secured by a pledge and assignment of said Net Revenues and of amounts held in the Bond Fund and the Reserve Fund established under the Indenture, subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture. The District has the right under the Indenture to issue additional obligations on a parity with the Bonds, subject to the specific conditions set forth in the Indenture. The Bonds are special obligations of the District and are not a lien or charge upon the funds or property of the District, except to the extent of the aforesaid pledge and assignment.

payments on a pro rata basis in integral multiples of \$5,000 (as set forth in a schedule provided by the District to the Trustee).

Whenever provision is made in the Indenture for the redemption of Bonds of more than one maturity, the Bonds to be redeemed shall be selected among maturities on such basis as shall be set forth in a written certificate of the District filed with the Trustee, and the Trustee shall select the Bonds to be redeemed within any maturity by lot in any manner which the Trustee in its sole discretion shall deem appropriate. For purposes of such selection, all Bonds shall be deemed to be comprised of separate \$5,000 portions and such portions shall be treated as separate Bonds which may be separately redeemed.

The Trustee on behalf and at the expense of the District shall mail (by first class mail) notice of any redemption to the respective Owners of any Bonds designated for redemption, at least 30 but not more than 60 days prior to the redemption date, at their respective addresses appearing on the Registration Books. Neither the failure to receive any such notice so mailed nor any defect therein shall affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon. Interest on the Bonds called for redemption will not accrue from and after the redemption date.

The Bonds are issuable as fully registered Bonds in denominations of \$5,000 and any integral multiple thereof. Subject to the limitations provided in the Indenture, Bonds may be exchanged, at said Office of the Trustee, for a like aggregate principal amount of Bonds of other authorized denominations of the same maturity.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations provided in the Indenture, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds, of authorized denomination or denominations, of the same maturity and for the same aggregate principal amount, will be issued to the transferee in exchange herefor. The District and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the District and the Trustee shall not be affected by any notice to the contrary.

The Indenture and the rights and obligations of the District and of the owners of the Bonds and of the Trustee may be modified or amended from time to time and at any time in the manner, to the extent, and upon the terms provided in the Indenture; provided that no such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the District to pay the principal, interest or redemption premiums at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of the

owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification, or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee, all as more fully set forth in the Indenture.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Trustee for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

It is hereby certified and recited that any and all things, conditions and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Refunding Bond Law, and by the constitution and laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the District, does not exceed any limit prescribed by the Refunding Bond Law and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond is not entitled to any benefit under the Indenture, or is not valid or obligatory for any purpose, until the certificate of authentication hereon endorsed has been signed by the Trustee.
