Dear CSDA Members:

My name is Sharon Rose. I have served as an elected board member of Goleta Sanitary District for three and a half years. I have also served actively in two statewide associations engaged in passing legislation: The Golden State Manufactured Home Owners League and The CA Tobacco Control Program.

My professional experience includes: government and non-profit management, private industry news media and raising a family.

After years in public service in the High Sierras, I moved to the Central Coast 11 years ago. I feel my skills will help CSDA meet their organizational needs, both in Sacramento and at the chapter level.

Local government is the strongest branch of our democracy. It's where "we the people" know each other personally and get things done. As a former county official who served in rural and urban areas, I learned the value of finding common goals, innovation and vision. Good governance exists in the smallest and largest places. It builds trust; which in turn builds healthy, resilient communities.

With politics as our backdrop, we know the wind changes. What's important to me is when change occurs, good people remain who are dedicated to working together—regardless of alliance. I know we all share a common goal of protecting California's quality of life—economically, socially and environmentally.

The drought crisis, coupled with energy and economic challenges, teach the future calls for innovation and collaboration.

My toolkit includes a willingness to serve, an open mind, creativity, collaborative decision-making and networking, communications and fundraising skills, a sense of humor, the ability to listen, a willingness to study the issues, ability to borrow and share ideas, and the ability to compromise.

Thank you. I respectfully request your vote to the CSDA board.

Sharon Rose
