

Excerpt from the current Marina Coast Water District Board Procedures Manual

(Adopted July 5, 2016)

(1). Water Conservation Commission: The Board will select a Director and an alternate Director to serve on the Water Conservation Commission. There shall be one (1) voting position on the Commission for a member of the City Council of the City of Marina. The Board will appoint seven (7) members of the public, or more as desired by the Board, from within the area served by the District, for terms of two years. The members of the Water Conservation Commission shall have the duties and responsibilities to:

(a) Annually review and evaluate current and past water consumption for each service area, water conservation ordinances and policies and recommend changes to the Board in matters related to conservation and water usage by the customers of the District;

(b) Review, evaluate and make recommendations, at least annually, to the Board concerning refinements/adjustments to the water conservation program, specifically conservation Best Management Practice implementation, outreach and educational programs, within and outside District service areas, the conservation budget, and overall District conservation resources;

(c) Review and make recommendations to the Board on customer appeals to the District's Water Shortage Contingency Plan, Conservation Ordinance, and conservation provisions of the District Code;

(d) Review, evaluate and make recommendations to the Board on equipment and technologies that promote water conservation;

(e) Review periodic newsletters, Consumer Confidence Reports, and other conservation outreach activities and make recommendations to the Board for actions to inform the public about the District's conservation activities.
