MCWD Director Code of Conduct

1. Purpose of the Code of Conduct

The MCWD Director Code of Conduct describes the conduct expected of each Board Member to encourage the open exchange of ideas among Board members, the staff, and the public, that is positive, honest, respectful, concise, understandable, responsive, and cost-efficient.

2. Attendance

Directors are expected to attend scheduled meetings of the Board, special meetings, and meetings of assigned Board committees. If a member of the Board is unable to attend a meeting, that member shall, as soon as possible, notify the Board President and the General Manager prior to the meeting. If a Director cannot attend a regular Board meeting for any one of the following reasons, that absence shall be deemed excused: illness or injury, family emergencies, or a Director's regular job duties. If a Director does not attend a regular Board meeting for any other reason, unless the Director's absence is approved by vote of the other Directors, then the Director's absence shall be deemed an unexcused absence. A Director having three (3) or more consecutive unexcused absences shall be deemed to be in violation of the Board's Policies and subject to Board action.

Any person serving on a standing, special or ad hoc committee must be prepared for and attend all committee meetings, unless excused for good reason. If a committee member's schedule in any given month precludes that Director from attending a regularly scheduled committee meeting, that Director will ask the alternate committee member to attend the meeting. If the alternate committee member cannot attend the regularly scheduled meeting, the two primary committee members will then select an alternate meeting date and time. If the two primary committee members' schedules cannot accommodate the scheduling of an alternate meeting date/time, the committee chair will contact the alternate committee member in an attempt to have two Directors available for the meeting. If a committee member fails to attend meetings of a committee and is not excused for good reason for two consecutive meetings, his or her position as a committee member shall be deemed vacant. In any committee, vacancies shall be filled for the unexpired portion of the term in the same manner as provided in the case of original appointment.

3. Code of Conduct

Each Director shall act to provide a work environment and a Boardroom free of harassment, disrespect, or other unprofessional conduct. To assist in the governance of the behavior between and among members of the Board, the following shall be observed:

- The dignity, style, values, and opinions of each Director shall be respected.
- Responsiveness and attentive listening in communications.
- The needs of the District's customers should be the priority of the Board.
- Directors should commit themselves to emphasizing the positive.
- Directors shall commit themselves to focusing on issues and not on personalities.
- Individuals have the right to disagree about ideas and opinions, but without being disagreeable.

- Once the Board acts, Directors shall not create barriers to the implementation of the action and shall not take action based on an individual view, position, or prior voting history on a matter, or any other reason in conflict with the Board's action.
- All Directors should work together in a collaborative way, assisting each other in the conduct of the District's affairs.
- Each Director shall function as part of the whole Board. A Director has no independent individual authority. An individual Director may not commit the District to any policy, act, or expenditure.
- The Board as a whole is responsible for setting goals and objectives for the District
- Directors shall protect confidential information of the District, its officers, employees, and customers from unauthorized disclosure or dissemination.
- Directors shall avoid and report conflicts of interest.
- Individual Directors shall avoid actions that invite or could lead to litigation against the District.
- A Director does not represent any fractional segment of the community but represents the District's service areas as a whole.

4. Comments by Directors Concerning District Staff Members

Board members shall refrain from publicly censuring or criticizing members of the District staff. Any criticism shall be given in private communications through the General Manager. Directors should also be aware that their free speech rights may be limited when it comes to certain information related to District staff. Examples of such information include employee medical information, employee disciplinary actions and specific compensation information regarding an employee. Directors should check with the General Manager before publicly revealing any information regarding specific District staff members that might be considered negative, slanderous, disrespectful, or discriminatory.

5. Relationship with the General Manager and District Staff

The primary responsibility of the Board is the formulation and evaluation of policy. All operational aspects of the District are the responsibility of the General Manager. The Board and its members shall deal with the administrative services of the District only through the General Manager, and neither the Board nor any individual Director shall give orders or instructions to any subordinate of the General Manager.

All individual Director questions relating to an open session item before a meeting shall be directed to the General Manager. Any concerns regarding a safety hazard should be reported to the General Manager as soon as possible. Emergency situations should be dealt with immediately by seeking appropriate assistance. In seeking clarification for policy-related concerns, especially those involving issues related to personnel matters, legal actions, property, finance, projects or programs, a Director should confer directly with the General Manager. When approached by an employee of the District concerning specific District management or operations, Board members should direct all inquiries to the General Manager.

Directors should develop a working relationship with the General Manager so that current issues, concerns and District projects can be discussed comfortably and openly. However, a Director does not have the power to individually direct the work of the General Manager or the District staff. Only the Board as a whole has the power to direct the work of the General Manager and only the General Manager has the power to direct the work of the District staff.

6. Social Media Policy

Directors will refrain from posting about or discussing district business on social media when the discussion would violate the Brown act or other laws. Directors must also comply with all Code of Conduct sections.

When posting, communicating, or commenting about matters pertaining to the district or district business on social media, directors will include a clearly visible disclaimer that reads “These views are my own and do not necessarily reflect those of the Marina Coast Water District or its board of directors.” The disclaimer will specifically name the Marina Coast Water District and its board.

Directors shall also avoid making comments on social media that invite litigation against the District. Once the Board takes action, Directors shall avoid making individual opinions or comments on litigation matters that conflicts with or does not support the actions of the board as a whole. Directors shall not make comments on social media regarding litigation strategy or make any comments on existing or anticipated litigation matters discussed in closed session.

Director communications using social media for political campaign purposes will follow federal and state rules and district policies regarding political activities. Directors using official district social media accounts will comply with district policies for those accounts.

7. Director’s Violation of Policies

Whenever the District, a Director or the General Manager receives a complaint or concern regarding potential or alleged violation of policies by a Director or Directors, the matter shall be reported immediately to the Board President. If the President is the subject of the complaint, the matter shall be reported immediately to the Vice President. The Board President or Vice President shall immediately place the matter on the Board agenda for the Board to discuss the alleged violation(s) and take appropriate action. If the matter(s) is serious, the Board President or Vice President may call a special meeting to address the complaint.

In addition to other consequences provided by law, the Board may publicly censure the offending Director and may as part of the censure take any or all of the following other actions, to be effective for a time determined by the Board:

- Remove the offending Director from committees and representative positions to which the Director has been appointed or designated by the Board or by the President;
- Prevent the offending Director from placing items on the agenda without the specific, advance authorization of the Board. Advanced authorization of the Board requires the request is reviewed at the Executive Committee and no specific timeline or deadline is activated;
- Prevent the offending Director from receiving District funds for conferences or training.

Board Policy and Procedures

8. Purpose of Board Policy and Procedures

The purpose of this Board Policy and Procedures Section is to describe the roles and duties of the Board and legal counsel; the procedures for preparing, scheduling, and running Board meetings; the roles and procedures for committee meetings; and, other general polices or rules for Board members.

Newly elected and/or appointed Board members are required to complete the course within one (1) year of being sworn in and then follow the two (2) year refresher course time frame. The District encourages training as soon as reasonably possible.

Directors should periodically avail themselves of available training for the exercise of oversight and supervision of management, the roles and responsibilities of Directors, how to understand budgets, how to monitor budget compliance, and how to work together as a team to solve problems.

Each new Director, upon assuming his or her duties, may be provided a District orientation by the General Manager and Board President upon request. No Director shall serve more than three (3) consecutive years as Vice President. If a majority of the Directors cannot agree on who should be the new Vice President, then the existing Vice President shall continue in office until the issue can be resolved. The Vice-President's responsibilities include:

- Performing all the duties of the President during any absence of the President; and,
- If for any reason the office of President is vacant, acting in the place of the President until a new President is elected.

12. Official Listing of Board Members

Upon the swearing in of a new Director or due to a change in the President/Vice President, changes to the official listing of its Board Members on the District's website and letterhead will be such that the Board is listing in the following order: President, Vice President, and then the remaining members of the Board in alphabetical order by last name.

- become familiar with the Brown Act, Rosenberg's Rules of Order, the conflict of interest laws, the County Water District Law, and all other laws applicable to the District, in order to effectively execute their duties.

14. Role of Legal Counsel and Special Legal Counsels

The Board shall employ an individual or firm of attorneys licensed to practice law in the State of California, to advise and represent the District and to assure full compliance with the requirements of the District Enabling Act and applicable laws. Legal counsel shall serve at the pleasure and direction of the Board of

Directors. The resolution appointing the Legal Counsel shall include terms of an agreed upon fee schedule. Legal Counsel shall be responsible for:

Reviewing, preparing documents as requested by the Board, or by the General Manager pursuant to Water Code Section 30580, and making appropriate comment on matters or recommendations presented in written or oral form;

Reviewing and preparing documents as requested by the Board in advance of meetings. The General Manager may request that Legal Counsel or Special Legal Counsel review and/or prepare notices, agendas, resolutions, ordinances, minutes, agreements, contracts and supporting materials pursuant to Water Code Section 30580;

Attending each meeting of the Board, unless excused, in advance or during a meeting; and attending other meetings as authorized by the Board or directed by the General Manager; and,

Attending Board Committee meetings, upon request of the General Manager or the Board, as well as attending other business meetings of the District as requested by the Board.

The Board of Directors shall appoint Special Legal Counsel to assist the Board and District when the Board determines that attorneys with specialized legal expertise are needed to represent or advise the Board and District staff. The legal services agreement with each Special Legal Counsel shall specify the scope of legal services to be provided.

Legal Counsel and Special Legal Counsels shall only perform work that has been authorized by the Board, or by the General Manager pursuant to Water Code Section 30580.

15. Procedures for the Use of Legal Counsel and Special Legal Counsels

The Legal Counsel and Special Legal Counsels report to the Board as a whole. However, the Legal Counsel is available to each individual Director for consultation regarding legal matters particular to that individual Director's participation in matters where the individual Director may have a conflict of interest. However, no attorney-client relationship shall be established with the individual Director as a result of such consultation.

An individual Director (1) may not give direction to the Legal Counsel or any Special Legal Counsel without prior concurrence of the Board, but (2) may email Legal Counsel or any Special Legal Counsel a question or questions on any closed session item before a Board meeting but such Counsel is not required to respond to any such question or questions unless and until (a) directed by the Board in closed session or (b) directed by the General Manager or the Board President or (c) unless the request relates to questions regarding that individual Director's participation in any board decision. The Board President and General Manager shall be copied on all such messages to Legal Counsel or Special Legal Counsel with a copy to the Board President and Legal Counsel.

The Legal Counsel and Special Legal Counsels shall be available to the General Manager and District staff to the extent authorized by the Board or authorized by the General Manager pursuant to Water Code Section 30580, for consultation on applicable issues and activities within the scope of the applicable legal services agreement approved by the Board. The General Manager may approve legal work on urgent items that require legal action outside the scope of Legal Counsel or Special Legal Counsel's role or duties under Section 14 above, wherein a Special meeting cannot be promptly scheduled, and then ratified at

the next closed session by the Board, provided the costs incurred up to the Board closed session are less than \$3,000.

Legal Counsel and Special Legal Counsels shall notify the Board and the General Manager about important events, rulings or decisions made regarding the District's case(s). Legal Counsel and Special Legal Counsels shall email the entire Board and the General Manager, if the General Manager is not subject of the case, copies of all briefs, dockets, applicable court calendars, motions and filings submitted to the Court and all documents and notices received from the Court and opposing parties. Legal Counsel and Special Legal Counsel shall endeavor to do so as soon as possible and within 72 hours of such events, rulings or decisions. Legal Counsel and Special Legal Counsels shall be available to answer questions from the Board during closed sessions.

Legal Counsel and Special Legal Counsels shall report directly to the Board and General Manager all potential legal problems and liabilities they notice or discover during their employment by the District. If the subject of the potential legal problem or liability is a Director or the General Manager, then the report shall be made to other than that Director or General Manager.

16. Board Training and Conferences

Any Director may request to attend training or a conference either by email, phone or written requests, preferably three weeks before the deadline for early registration or accommodation discount which will then be added to the next agenda for the Budget and Personnel Committee for approval. Upon review by the Budget and Personnel Committee, if funds are budgeted and available and the training approved by the Budget and Personnel Committee, District Staff will register the Director for attendance, book travel, accommodation and meals and pay costs accordingly. District staff will email the Director(s) all the completed registration forms, and accommodation and traveling details.

Upon review by the Budget and Personnel Committee, if funds are not available, the General Manager will request an item to be placed on the earliest possible Board agenda (and preferably before the deadline(s) for early registration discount(s)) to request the Board approval for such expenditure. The agenda item will include the recommendation by the Budget and Personnel Committee.

Travel by Directors will comply with the District's travel policies. Directors shall endeavor to be frugal with their expenditures of District travel funds.

After these travel arrangements are made, if the Director(s) can no longer attend the meeting or conference, the Director(s) shall notify the General Manager as soon as possible so that District staff can attempt to cancel the registration, accommodation, and traveling arrangements or find another Director to attend.

The District will not pay for training or conferences that the Director personally pays for but does not attend.

If a Director personally pays for some or all of the costs related to the training and travel, those costs may be subject to reimbursement per the District's travel policy. Receipts will be required to reimburse a Director for travel and training related expenses.

During the annual budget process, the Directors will be provided a list of conferences or meetings that the Board may consider.

BOARD MEETING PREPERATIONS

17. Establishing the Meeting Schedule

The Board shall determine at the beginning of each calendar year the dates for regular Board meetings and regular board committee meetings. Such annual schedule shall include vacation periods, if any, during which no regular meetings will be held. An emergency or special meeting may be called as needed in accordance with the Brown Act.

18. Establishing Meeting Agendas

The General Manager shall submit the draft Board agenda to the Board President and Vice President for review and approval before posting such agenda. Either the Board President or Vice President can add any items to the final Board agenda. Emergency matters can be added to the agenda without advanced request or notice.

Any Board member may request to have a non-emergency item placed on the agenda by submitting it, in writing, to the General Manager, at least ten (10) days before the meeting. Such requests shall explain the issue and provide a recommendation for Board action. The request will be submitted by the General Manager to the President and Vice President for review and approval before posting such agenda and/or to determine at which future time to bring back the item for agenda review. This is typically done as part of the Executive Committee meeting. Requests for information only items or items regarding administrative functions of the District (e.g. items under the responsibility of the General Manager and staff) will be considered low priority when establishing the agenda to ensure there is sufficient meeting time to discuss necessary Board items.

19. Meeting Postings and Board Packets

The Board of Directors must comply with the Ralph M. Brown Act (Brown Act) that requires meetings of the Board of Directors to be open and public. Regular District Board meetings are typically held at the City of Marina's Council Chambers at 211 Hillcrest Avenue, Marina, CA, unless otherwise specified. The notice and agenda for each meeting of the Board or committees of the Board are typically posted at the District offices at 11 Reservation Road, Marina, CA, and the City of Marina offices at 211 Hillcrest Avenue, Marina, CA in accordance with the Brown Act.

Teleconferencing may be used for any meeting if such request is made sufficiently in advance of the meeting to permit compliance with posting requirements under Government Code section 54953 unless modified by action of the Governor or other law.

The agenda and agenda package for regular board meetings are distributed to the Board and made available to the public in advance of the Board meeting in compliance with the Brown Act. To inform the Board in taking action on an agenda item, the agenda items may include, as necessary, relevant background information, previous Board actions, adopted goals and objectives, concerned issues, recommendations by staff, funding sources, available funds in the adopted budget, options that were evaluated, copies of contracts, proposals, agreements, plans, specifications, exhibits, attachments, test results, maps, or investigation reports. District Legal Counsel and/or Special Legal Counsel will review, as necessary, the proposed contracts and agreements that are included in the Board agenda package.

20. Directors Preparation for Meetings

Board members are to prepare for all Board meetings. In preparing for meetings, Directors shall identify the need to obtain any supplemental or clarifying information to better prepare or enhance their knowledge to improve the legislative decision-making process and communicate same to the General Manager. Board members are encouraged to do so as far in advance of the Board meeting as possible, to allow the General Manager time to provide the requested additional information. Supplemental or clarifying information on Board Agenda items that were requested by a Director will be provided to all Directors so that all Directors have the same information.

Board members may propose non-substantive changes to any item in the agenda by contacting the General Manager by 9:00 a.m. the day of the meeting where the agenda item will be considered before the Board. Non-substantive changes include typos, misspellings, changes in punctuation, substitutions of words or phrases for clarity without changing the meaning of the agenda item, correcting dates or other minor changes. A District staff member will read these proposed items to the board and into the record before discussion of the agenda item. For items on the consent agenda, a District staff member will read all of these changes to all items on the consent agenda at the beginning of the consent agenda. Approving the consent agenda item will also approve these non-substantive changes.

RUNNING A BOARD MEETING

21. Quorums

In order to constitute a quorum of the Board, a majority of the Board members (three of the five directors) must be present at the designated meeting location authorized by the Brown Act unless modified by action of the Governor or other law. If a quorum is not present, no meeting shall take place. For committees consisting of one or two (2) Directors, all appointed Directors are required to be present to constitute a quorum and hold a committee meeting unless an alternate Director(s) can attend. If a committee quorum is not present, the committee meeting can be adjourned to another time and the lack of a quorum will be reported to the Board.

The California Attorney General has issued an opinion that includes sanctions that could apply to a person who discloses closed session information. For more detailed information on closed sessions see the California Attorney General’s web site and publications.

Non-Roll Call Votes. Following any non-roll call vote, the President shall announce the results of the vote, including the vote or abstention of each Director present unless the vote is unanimous.

Roll Call Votes. After a motion has been made and duly seconded, any Board member may call for a roll call vote. Additionally, action on all District resolutions and ordinances and any agenda item that expend District funds shall be taken by a roll call vote.

25. Board Actions

All actions of the Board shall be in the form of an ordinance, resolution or motion.

Ordinances. The Board shall enact as ordinances any items of business presented to the Board and approved by the Board which:

- Are required by law to be enacted as ordinances;
- Repeal, supersede or amend an existing ordinance, except that the Board may adopt an ordinance authorizing that an existing ordinance may be repealed, superseded or amended by resolution;
- Adopt a policy, rule or regulation to be enforced as a misdemeanor;

- Approve the acquisition of personal property with a value of \$5,000 or more
- Approve the disposition of personal property
- Adopt or amend any plan for the District
- Adopt or amend authorized positions for the District
- Relate to any other item of business which could be adopted as a motion and which the Board determines to adopt as a resolution.
- All resolutions shall state, when applicable, whether the contents of the resolution will become a policy, rule or regulation of the Marina Coast Water District.

Motions. The Board shall adopt as motions, any items of business presented to the Board and approved by the Board which:

- Are not required by law to be approved as an ordinance or resolution;
- Are not enacted as ordinances or adopted as resolutions by the Board; and
- Require action by the Board. If the Board so directs in its motion, a motion shall become a rule and regulation of the District; however, most rules and regulations of the District should be adopted either by resolution or ordinance.

All ordinances and resolutions shall be adopted by roll call vote. All motions to approve the expenditure or transfer of District funds and to approve personnel actions shall be adopted by roll call vote. All motions shall be reflected in the minutes of the Board, which shall state the contents of the motion, who made the motion, who seconded the motion and the ayes and noes on the vote.

26. Procedure for Action Items

The Board shall act only by ordinance, resolution or motion. Except where action is taken by the unanimous vote of all Directors present and voting, the ayes, noes, and abstentions shall be taken upon the passage of all ordinances, resolutions or motions and shall be entered in the minutes. Any member of

the Board, including the President, can make a motion. Motions require a second. The President may vote on all motions unless disqualified or abstaining. The President shall not call for a vote on any motion until sufficient time has been allowed to permit any member of the Board to speak. Complex motions should generally be prepared in writing, and if it is necessary for the full understanding of the matter before the Board, the President shall restate the question prior to the vote. Common motions may be stated in abbreviated form and will be put into complete form in the minutes. Until the President states the question, the maker of the motion may modify their motion or withdraw it completely. It shall be the procedure of the Board, when considering all action items, to:

- Receive a staff report on the item from the General Manager or the responsible staff person
- Allow Board members to ask clarifying questions of staff through the President
- If there is an applicant, the applicant shall be given the opportunity to respond to the staff report and staff comments.
- Allow Board members to ask clarifying questions of the applicant through the President
- Receive public comment of the item
