

ADDENDUM NO. 1

BASIS OF DESIGN REPORT, TITLE 22 REPORT, AND REPORT OF WASTE DISCHARGE

DATE: 9/25/26

RESPONSES TO QUESTIONS

1. **QUESTION:** Is there a page limit for the proposal, and do resumes, references, the cost proposal, and required forms count against it?
 - **RESPONSE:** The RFP does not specify a page limit. Resumes, references, the cost proposal, and required forms may be included as needed. Please keep the proposal concise and responsive to the RFP.
2. **QUESTION:** Should the cost proposal be submitted as a separate file/sealed envelope, and will it be opened only after qualifications scoring?
 - **RESPONSE:** Please submit the task-by-task cost proposal as a separate document. A sealed envelope is not required for electronic submissions. The District will review the cost proposal as part of its overall proposal evaluation.
3. **QUESTION:** For electronic submittal, is there a file size limit or preferred transfer method?
 - **RESPONSE:** Submit proposals by email to bliscomb@mcwd.org by 2:00 p.m. on October 9, 2026. The RFP does not specify a file size limit. If the files are too large for one email, you may send the proposal in multiple emails, with each message clearly labeled in sequence (for example, "Part 1 of 3"). The District must receive all parts before the deadline.
4. **QUESTION:** Will MCWD provide the IPR Feasibility Report prepared by EKI in 2022 and referenced in Section II of the RFP?
 - **RESPONSE:** Yes, the report will be posted separately.
5. **QUESTION:** When will we know whether interviews will be part of your evaluation process as well?
 - **RESPONSE:** We will send an email to everyone directly by **October 15** to let them know whether we will be requesting a presentation.
